## SPÄTBURGUNDER ROSÉ

This rosé pours into the glass with a pale pink hue and a slight effervescence. The bouquet is fruit-forward, with aromas of sweet cherry, red berries, rhubarb, grapefruit, and a hint of vanilla. With its delicately dry attack, this rosé tastes very juicy. With its pleasantly fresh acidity and a refined touch of tannins, it leaves a pleasant impression on the finish. This rosé is very easy to drink without being overly ingratiating. Ideal for hot summer days, with or without food.
